## ABOUT US

IMAGILIGHTS® is a Belgian company designing, manufacturing and distributing a range of rechargeable cordless lighting solutions for **INDOOR**, **OUTDOOR** and **POOL** use and is specialized and most known for its cordless **TABLE LIGHT** ranges. From day one we focus on serving products that stand out and are easy to handle, an example is by implementing an innovative recharging solution = all IMAGILIGHTS® products are wireless recharged.

IMAGILIGHTS® is known to offer a natural LED technology, containing a life span of over 50.000 light hours, making it the most sustainable alternative to traditional lighting systems.

IMAGILIGHTS® is made to outlast, resist and endure the highest demands, these of the hospitality sector. Since the very first launch our products are found in thousands of the finest restaurants, hotels, resorts and private homes.

IMAGILIGHTS® stands for design, innovation, quality, a fast communication platform, an immediate delivery and a dedicated customer service.

IMAGILIGHTS® exports to over 100 countries.

## OUR SPECIALIZATION

### WIRELESS/CORDLESS TABLE LIGHTING

Genuine hand-crafted table lamps inspired by architecture, sculpture and design, composed of the finest raw materials. Created for the most demanding end-users and professionals such as restaurants, hotels, architects and interior designers.

**MOJO® COLLECTION\_** indoor/outdoor product made of Polycarbonate (PC) with changeable multi-color covers, shock resistant and waterproof.

**TEBUR® COLLECTION\_** mainly outdoor used product made of Polyethylene (PE), waterproof and shock resistant.

**DJOBIE® COLLECTION\_** indoor/outdoor product made of Acrylic (PMMA) and Polycarbonate (PC), a refined lamp with the touch and feel of glass.

**MOMENTS® COLLECTION\_** indoor/outdoor lamp finished with deep-brushed anodizing OR mirror-polished powder coating, available in 6 illuminated heads.

**DEMOISELLE® COLLECTION\_** indoor/outdoor lamp available in 2 heights and 6 illuminated heads finished with deep-brushed anodizing OR mirror-polished powder coating and with the ability to light-up warm white in both 2300 Kelvin and 2700 Kelvin.

**CRU® COLLECTION\_** indoor/outdoor lamp available in one or two light heads with extreme light output, available in finishing deep-brushed anodizing OR mirror-polished powder coating and with the ability to light-up warm white in both 2300 Kelvin and 2700 Kelvin.

**MIRAI® COLLECTION\_** indoor/outdoor lamp available in several formations finished with deep-brushed anodizing OR mirror-polished powder coating and with the ability to light-up warm white in both 2300 Kelvin and 2700 Kelvin.

## QUALITY AND TESTING

All our products are thoroughly tested before entering the market. We test our products in extreme weather conditions by running them through specialized LAB machines that imitate extreme temperatures such as desert heat and Nordic cold, as well as high and low humidity and UV. We also conduct salt tests for coastal areas and islands. We conduct both electrical as mechanical tests to ensure a high-grade quality standard.

## LEGAL INFORMATION

**IMAGILIGHTS®** Wireless Lamps are covered by Design Registration, Copyright and Patent Pending. All rights reserved. All shapes and models are registered. Patented LED modules and patented wireless chargers. Any tampering with or repairing the unit voids the warranty. The units are tamper protected.

Please be aware that buying from **IMAGILIGHTS®** means that you and your customers benefit from a choice for innovative and exclusive products. **IMAGILIGHTS®** therefore highly values and enforces its intellectual property rights, which include copyrights and registered design rights in jurisdictions worldwide (EU, US, UK, APAC, People's Republic of China, etc.).

**IMAGILIGHTS®** will not hesitate to take appropriate legal action against any reseller or distributor that violates these intellectual property rights. In such case legal costs and costs for destruction of counterfeit goods will be at the charge of the infringing party.

# MOJO COLLECTION TABLE LIGHTING

Indoor/outdoor product made of Polycarbonate (PC) with changeable multi-color covers, rainproof and shock resistant, each come with clip-on caps in 3 colors.

## TOP FEATURES

- 25 preprogrammed colors
- 2 romantic candle flickering effect modes (yellow and orange)
- 2 ultra – slow enjoyable automatic mix modes showing 160 000 colors
- dimmer mode (4 steps)
- battery indicator
- automatic light shut when placed on charger
- color lock and anti-theft function (only with remote control)
- up to 86 hours of light with one recharge
- battery recharge: 7 hours
- waterproof IP52 (dust and rain resistant)
- remote included + pushbutton controlled on back side
- anti-glare
- all material (no rusting, no oxidizing, no decolorizing, high UV-protection)
